

# Policy Form

Thank you for choosing Buckhead Bridals by Guffey's. We are excited to be a part of this special time with you. In order for us to process your order, we need for you to understand and agree to the following:

Once the bride has made her selection in a gown, a signed copy of both the sales receipt and this policy form must be completed.

All gowns are made to order, therefore a 50% non-refundable deposit is required at the time of purchasing. Once a gown has gone into production, no changes to the gown can be made and the remaining balance is required 14 days after the gown's arrival. Any sample sale requires payment in full. Veil and accessory items also require payment in full at the time of purchase.

Specific measurements are required in order to determine which size category you fall into. Size is determined by the largest measurement; therefore alterations will most likely be required.

Anne Barge uses the finest in fabrics. Silk fabrications contain variations and irregularities which are inherent of silk yarn. These characteristics enhance the natural beauty of the fabric and in no way should be treated as defects.

We offer alterations through Buckhead Alterations, however they are not included in the price of the gown. Anne Barge has been working directly with Buckhead Alterations for the past 10 years and we are fortunate to be able to offer their services here in the salon.

Anne Barge requires 16 weeks to manufacture a gown. In order to allow for this production and alteration time, we recommend brides order their gowns 6 months in advance of the wedding. Rush orders can be placed with an additional charge. Once the gown has arrived, we will give you a call to begin your fittings. Final payment is due within 14 days of the gown's arrival. We offer shipping as well with UPS. Price for shipping gowns varies and can be discussed.

Due to the fact that the gowns are made to order, there are no exchanges or refunds accepted. All sales are final.
